Note: funny how this is kind of backwards in order, when we first gain the faith that comes from a knowledge of the truth it is through Jesus (Yeshua), then signs, etc. Because only if we know God can we look for Him to reach out to us or recognize it as Him when He does. If we do not know Him, we will just chalk things up to what we do know - the evils of this world - and they have done enough already.

12. When people observe you, what kind of God do they see in you and through your behavior? \_\_\_\_\_
